

Tono's sensational design is designed to handle tasks smoothly by combining multiple units, especially in accordance with the size of the work space.

Design for office

DETAIL

01_ Side round top

The circular design combined with the straight line is useful for meetings.

02_ Damping Rail

Damping function prevents damage to the product by preventing noise and smoothly opening and closing structure.

03_ Leather Pad

A leather pad finish on the main work surface of the desk provides excellent touch.
