

EXECUTIVE FURNITURE
GENERAL series

General Series

EXECUTIVE

The General Series is a combination of natural veneer and color boards that create a refined and luxurious look.

Design for office

**DETAIL****01_ Luxury leather pad**

A premium leather pad finish on the main work surface of the desk provides excellent touch when used.

02_ Top plate, Side plate 45 degree cutting structure 45-degree cutting structure enhances luxury and profoundness

03_ Damping Rail

Damping function prevents damage to the product by preventing noise and smoothly opening and closing structure.

04_ Motion detection sensor light

It is convenient because the sensor detects the movement and lights up

05_ Multi-outlet

Multi-tap and LAN port are built in on the top of the desk to keep the wiring neat.
