Challenge Series

OFFICE

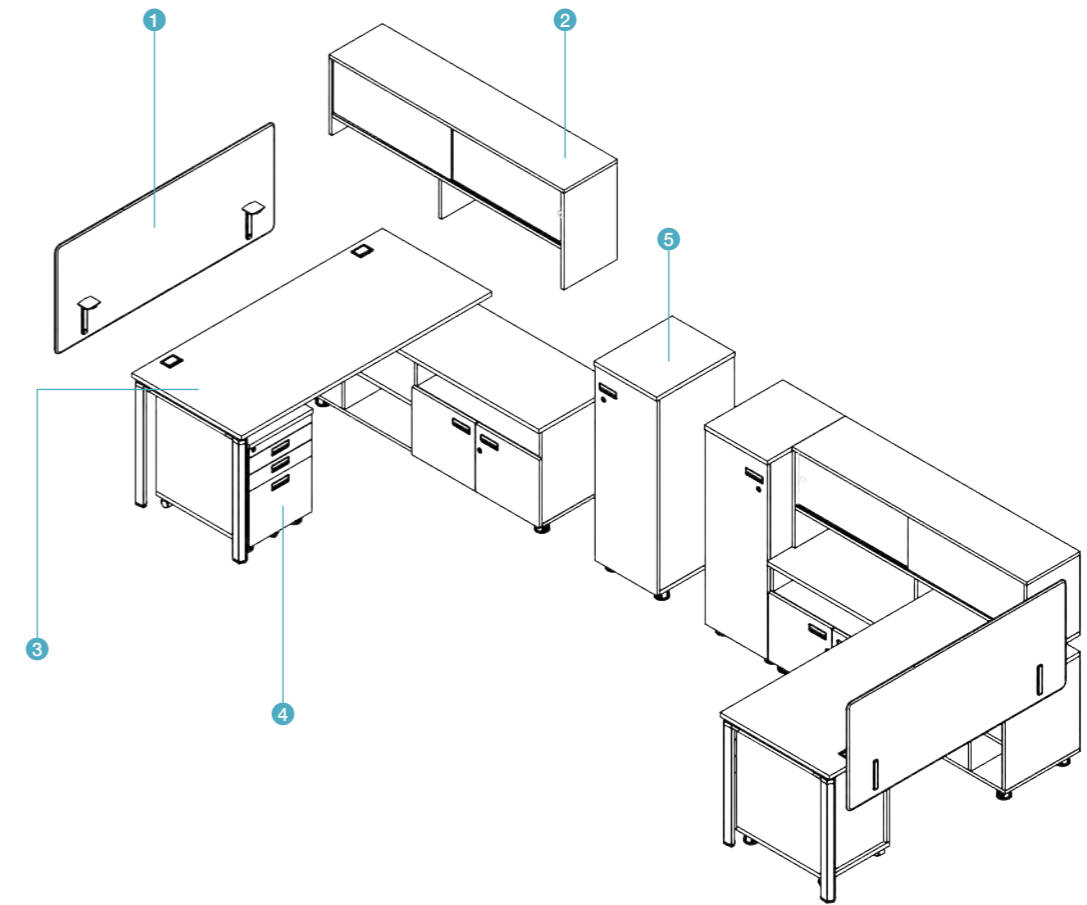

The Challenge series features combination of color and soft finish and ergonomic design that prioritize user convenience and a variety of units for a seamless layout. Reduce unnecessary area of the desk to implement an efficient use of space and a comfortable working space for the current office.

# CHALLENGE series

The Challenge series is a basic design that allows you to create a workstation that's right for you, in a flexible combination with a variety of storage.

## Basic structures

Image	Item	Model No.	Description
	Screen	DS0166R	The screen distinguishes the personal space with natural communication at the proper height and helps to organize the objects of the individual neatly. You can also attach a simple note using a magnet to the front memo board with the accessory on top.
	Top Storage	BS015H	Optional top storage replaces the panel to provide eye-catching, personal space and expand your storage space.
	Desk	CHD0165SD	Side cabinets combined with desks provide personal accessibility and convenient storage.
	Mobile Pedestal	DP131	Security management of personal objects is possible, and sufficient storage space is provided for efficient storage of various materials and supplies.
	Locker	LK045	Tower units, maximize personal storage, allow you to store and manage a variety of items.

## Design for office

### DETAIL

#### 01\_ Simple design

The modern base is simple, and the luxurious desk is not constrained by space, making it easy to relocate and move around according to the layout.

#### 02\_ Wiring Cap

Wiring cap considering safety and convenience provides enough space for vertical wiring with ABS injection cover.

#### 03\_ Inserted Handle

The metallic material and simple Inserted handle are safe to use and the unique design fits well into modern offices.

#### 04\_ Leveling Feet

The plastic injection leveler is attached to the bottom, making it easy to adjust the level even without uneven floor.
